

4TH IEEE CONFERENCE ON INFORMATION AND MULTIMEDIA PROCESSING

in conjunction with the 5th IEEE CiSt 2018
21-24, October 2018, Marrakech, Morocco

CALL FOR PAPERS

The 4th IEEE Conference on Information and Multimedia Processing will be held in parallel with the IEEE CiSt'2018 international congress on October 21-24 in Marrakech, Morocco.

This conference aims to be a multidisciplinary forum of actors from the complementary fields of Information processing, hardware and software components for processing, storage, coding, transfer, and analysis of various types of multimedia information (signals, images, video and data (text or script)), and their applications in communication networks, mobile ubiquitous systems, man-machine interaction, multimedia, medical informatics, security systems, biometrics, bioinformatics, and other areas of modern information society. The forum will focus on bringing together researchers interested in the area of Information and Multimedia Processing to exchange the latest achievements and discuss future development related to this research area.

Topics

We solicit submission of original ideas and papers describing significant results and developments from both researchers and practitioners in a specific range of fields addressing the following topics:

- Speech and Spoke language processing.
- Textual data processing.
- Image and video processing.
- Image, video and information indexing and retrieval.
- Virtual reality and computer vision

Paper submission

Prospective authors should submit by using the [online submission platform](#) for IEEE IMP'18 focused conference, a paper of 4 to 6 pages max (including references) in scholarly English, using the [IEEE template](#).
